An ISPT is a dedicated time for Industry to host a session that provides information on a specific product or service of interest to APNs working in the area of gerontology. Since these sessions may be promotional and are specific to a certain product, no CNEs are available for these sessions. We do accept CNE sessions and these presentations will not compete with promotional sessions.

The ISPT will allow you the opportunity to highlight your presentation in a relaxed atmosphere while focusing only on your product and the APNs in attendance.

ISPT sessions do not compete with any other educational programming in the time period allotted.
