New Online Educational Sessions Available

CMS Update on ACA Implementation Efforts - Monthly Teleconferences

New Online Educational Sessions Available: "Pharmacotherapeutics: Lipid Lowering Agents in the Gerontology Population"

Advanced practice nurses seek pharmacology continuing education. GAPNA has identified that need for its members and has developed "[Pharmacotherapeutics: Lipid Lowering Agents in the Gerontology Population](#)," a new, two-part series available in GAPNA's Online Library. Part I reviews the current research and the guidelines on cholesterol management while Part II covers medications and implications for the gerontologic advanced practice nurse. Click below for more information on CNE and how to purchase!

CMS Update on ACA Implementation Efforts - Monthly Teleconferences

CMS will be hosting a series of monthly conference calls providing an update on the Affordable Care Act (ACA) implementation efforts that impact doctors, nurses, hospitals and other providers of health care. The monthly "ACA Implementation Update for Providers" will review recent announcements from HHS and its agencies, explore one or two topics with senior HHS officials and provide an opportunity for you to ask questions and share feedback. These update calls will be held on the **second Thursday of the month at 2pm ET**. The call is closed to the press – but all stakeholder and interested parties are welcome to attend.

- What:** Affordable Care Act Implementation Update for Clinicians, Hospitals and other Healthcare Providers
- Topic:** Medicaid Expansion with Cindy Mann - CMS Deputy Administrator and Director of the Center for Medicaid and CHIP Services (CMCS)
- Date:** October 11th at 2pm
