Find Your Local GAPNA Chapter

If you're not already an active part of your local GAPNA chapter, we encourage you to get involved. Belonging to a chapter is a great way to network with colleagues and find support among peers who share your passion for caring for older adults. If there isn't a chapter near you, consider starting one!

schizophrenia in skilled nursing centers

Because the development of schizophrenia is uncommon in older adults, a diagnosis of new onset schizophrenia in a post-acute and long term care setting should be made by a qualified health professional with mental health training using DSM 5 criteria.
