GAPNA Gives Back

Every year at our annual conference, GAPNA strives to give back to the local community of older adults in need. This year in Washington, DC we are partnering with Iona, an organization that supports older adults as they experience the challenges and opportunities of aging.

The "Gerontology Resources for APRNs in Acute and Emergent Care Settings" toolkit is now available.

The goal of the Gerontology Resources for APRNs in Acute and Emergent Care Settings is to make geriatric and gerontological content easily accessible to those caring for older adults in higher acuity care settings.
